

*What are the different Symbols of
Easter?*

By Alyssa and Dannii

Our inquiry process

We did a KWL chart to find out what we already knew and what we wanted to know. This helped us to come up with a question.

To help us research about our question we wrote down the key words.

We used these key words to help us search on the iPads and in books.

Our inquiry process

Our buddies came and helped us read the information. We had to skim and scan the information, and find facts that would help us to answer our question.

The buddies helped us to put the information into our own words.

We then made a plan for our keynote to help us organise our facts and what we wanted the layout to look like.

We can now fill out the L part of our KWL chart with what we learnt.
