

What are the different symbols of Easter?

By Amelie and Ella

Our inquiry process

We did a KWL chart to find out what we already knew and what we wanted to know. This helped us to come up with a question.

To help us research about our question we wrote down the key words.

We used these key words to help us search on the iPads and in books.

Our inquiry process

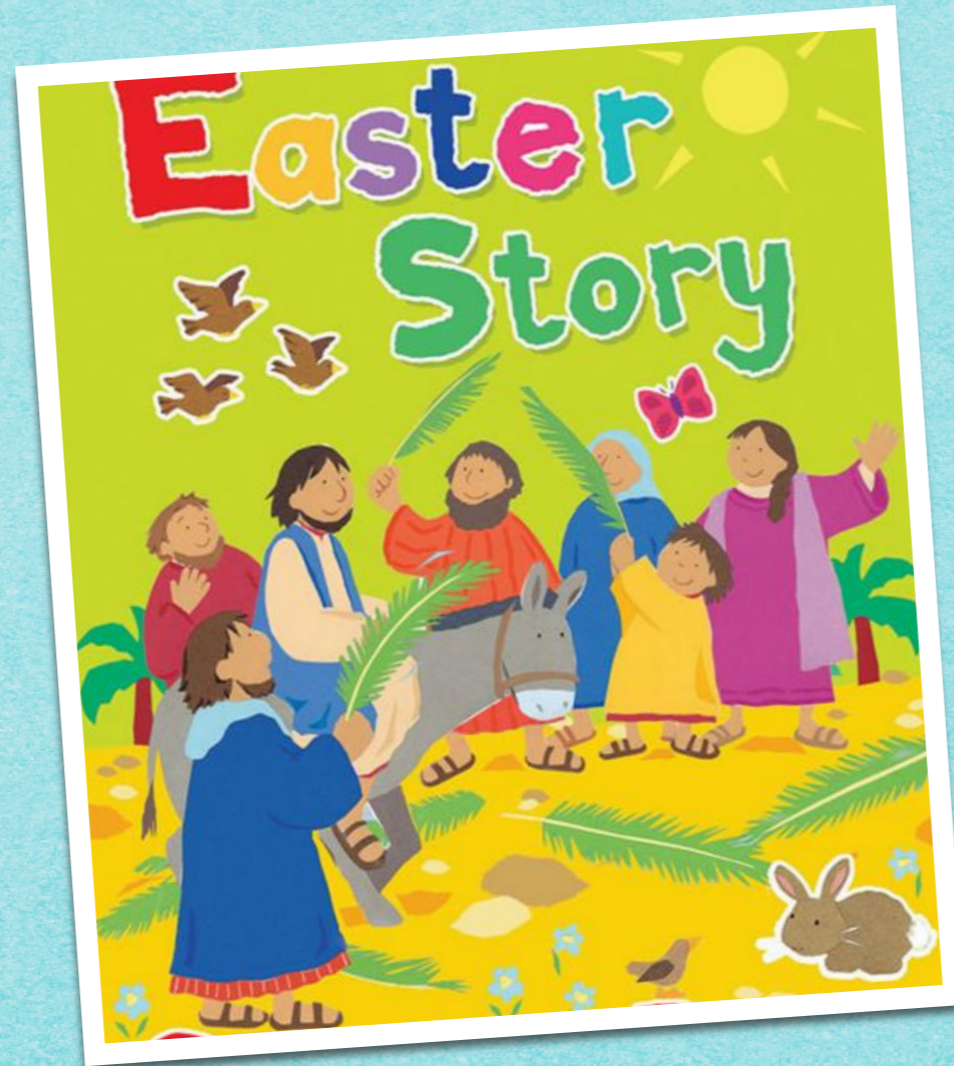

Our buddies came and helped us read the information. We had to skim and scan the information, and find facts that would help us to answer our question.

The buddies helped us to put the information into our own words.

We then made a plan for our keynote to help us organise our facts and what we wanted the layout to look like.

We can now fill out the L part of our KWL chart with what we learnt.

Easter story

EGGS

- ▶ Eggs have become a symbol of Easter for a very long time because baby chicks hatch from eggs like when Jesus came back to life.

CROSS

- ▶ Another Easter symbol is the cross because Jesus died on a cross.

HARE

- ▶ Easter falls around the time of a full moon and hares are linked with a full moon because thousands of years ago people thought that the hare was a animal that did not close it's eyes.
- ▶ The rabbit symbolises Easter because it has lots of babies.
