## Challenge Home Learning

### Suggested Planning Guide

Congratulations on choosing to be part of the Challenge Home Learning. It is now time to create a plan to help you achieve your goals. The following is a guideline that you can use to organise your thinking. Write your plan in your homelearning book, so it is always there for you to check and refer to.

#### 1- WHAT?

- What challenge are you doing?
- What do you need to complete your challenge? (Materials/ equipment)

#### 2- WHO?

- Who do you need to help you? What do you need help with?

#### 3- WHEN?

- When is a convenient time for you and your family to complete your challenge. This might be one afternoon a week, on the weekend or a week where you do not have a lot on. Check with your family.

#### 4- WHERE?

- Where do you need to do your challenge? Kitchen, garage, garden, park, skatepark, community centre etc

#### 5- HOW?

- How are you going to carry out your challenge?
- Think about the steps involved to complete it.
- How are you going to present it? (Booklet, poster, powerpoint etc)

**Enjoy and good luck! We look forward to you seeing your amazing challenges!**
